Dear Young Talents of 2022 & 2023 Passing Out Batch,

I welcome you in the most significant phase of your academic journey. It is the time when you will gain your own recognition by showcasing your skills and competencies to the outside world. It is time when you would be asked to exhibit what all have learnt throughout your academic voyage and what all you would be acquiring in future.

I WELCOME YOU ALL FOR

CAMPUS RECRUITMENT FOR 2022 & 2023 PASSING OUT BATCH

I would like to wish you good luck for all upcoming recruitment activities and I also believe that you would continue the success saga of your seniors, performing well in the industry, and fulfill the dream of our Honorable Founder President Sir which is स्वस्थ समाज, शिक्षित समाज, समृद्ध समाज who wants to make each and every student of OPP College a Success Story.

In continuation to my previous mail regarding the commencement of Campus Recruitment I would like to reiterate upon some of the important point discussed with majority of students participating in the Campus Recruitment this year.

Same are placed below for your personal review:

1. It is Mandatory for all Eligible Students to appear in all Companies coming for Campus Recruitments, till they get placed or else he / she will be strictly debarred from the entire placement season. It is the prime responsibility of every student to check Eligibility and other Details on www.oppcollege.com notice board.
2. You will be provided with a Unique Campus ID No. which is your roll number this will act as your Permanent Roll No. for all Campus Recruitment Related Activities.
3. Placement Process: All companies generally follow the following process
 - a. Presentation about the Company & Job Profile (PPT)
 - b. Written Exam (Aptitude / Technical Test)
 - c. Group Discussion (5 to 10 Students)
 - d. Technical Interview (One to One)
 - e. HR Interview & Verification of Documents
4. All students need to ensure that they are meeting the eligibility criteria of the company as mentioned in the portal. All mark sheets are checked at the time of joining and if company finds that you have manipulated your marks / documents at the time

of Campus Recruitment your job offer will be terminated and your name will be blacklisted forever.

5. All Students need to ensure that their Data is correctly entered at their respective office. If there are any changes then they need to contact their Placement Officer immediately.
6. Students have to ensure that they report on time as mentioned in the portal. Students coming late will be strictly disallowed to appear in that process.
7. Students have to wear Medical Formals for every recruitment process. Students wearing casuals during recruitment process will be sent back.
8. Students always have to carry one folder with them containing Hard Board, Mark sheets, Certificates, Passport Size Photos, Resumes & Stationery items.
9. All students have to compulsorily carry their College I-Cards with them. Without I-card no students will be allowed to enter inside examination hall.
11. Students are not allowed to contact Company / HR Delegates directly for any reason. If they are facing any problem, they have to first contact their Placement Officer and discuss their problem with them.
12. Students have to arrange their own transport during campus recruitments.
13. **OPP College strictly follows "One Student One Job Policy"**. But Students from Core branches will be given one additional job opportunity in their core domain. (For Eg. If any DMLT student is placed in a hospital he / she will also be allowed to appear in his / her core pathology till he gets one final job offer, similar rule is applicable for Paramedical/ Nursing/Pharmacy students)
14. Many times it can happen that campus recruitment process can stretch till late night. All students have to inform this to their parents and should arrange their own transportation.
15. Mobile phones have to be switched off inside examination rooms / auditorium.
16. Strict discipline need to be followed by every student during the recruitment process. Any students found misbehaving or during misconduct will be debarred from the entire placement season.
17. First impression is not the last impression, but it last for a very long period. You are what you wear. You should understand that proper Medical Formal Dressing plays a very vital role in leaving a positive impression on the interviewer.
18. From the last 5 years of my experience in Campus Placement, I can say that in the beginning when the bulk hiring is going on some of the students have a very casual approach, these are the students who miss the bus and then they wait forever to catch that bus again, but it never happens.

In the end I would like to quote that.

"Placement is not given; it has to be earned"

We can give you opportunities but you have to turn these opportunities into Appointment Letters.

I wish you good luck for your all-future endeavors.
